BEHALF OF FORT

and M. & M. to Hold a Joint Meeting.

SENATORS ARE WORKING BRIEF DELAY TO

AS A SURPRISE.

Salt Lake commercial interests have expowers that be in its improvement and this city.

A move has been started by the officials f the Manufacturers & Merchants' association to call a joint meeting of that organization, the Commercial club and organization, the Commercial club and the Real Estate association this week for the purpose of considering what further efforts can be made to save Fort Douglas part, at any rate, the New Year's to Salt Lake and improve it.

Senators Are Working.

story were subjects of discussion in all the clubs yesterday and a strong sentinent prevails that strenuous efforts must be made at once in the fort's behalf.

United Effort Urged.

et all costs," declared M. H. Walker last night. "Our congressmen and senators at Washington should be prevailed upon to exert every influence toward this end. The post should be made one of the finest in the country on account of its natural ad-vantages. Salt Lake cannot afford to

lost the fort."

T. G. Webber, when asked his opinion as to the best means of securing improve-ments at the Fort declared that a united effort on the part of local business men should prove as effective as anything.

"The post is one of the finest attrac-

"The post is one of the finest attractions of Salt Lake and we should make every effort to retain it," said Mr. Webber. "Pressure must be brought to bear in the authorities in Washington to that

Goes to San Francisco Today to Manage Postal Office There.

office of the Postal Telegraph company, leaves this afternoon for San Francisco Pueblo, to which he was recently apto assume charge of the company's office | pointed

D. McNicol, formerly manager of the The management of the San Francisco

office is a well earned promotion for Mr.
Shaw, as the office is the second largest
on the Postal system, being second in
volume of business to New York City.
In securing the Salt Lake office, Manager McNicol also goes up a step, as the local office is the largest in the sixth division of the Postal's system and its receipts amount to more than a quarter of a million dollars annually. Before assuming charge of the Butte office a year age, Mr. McNicol was chief clerk to Superintendent of Telegraph Green of the Northern Pacific road, with headquarters | Will McKeller, traffic manager for Eiseman Brothers, the well-known wool |

The first of these brings down small stream supply. part, at any rate, the New Year's INKLAILING cheer prepared on such a lavish scale by their respective families.

"We have been alive to this thing for months back." declared Fisher Harris, manager of the Commercial club, yesterday. "I made a special trip to Washington to interest our senators and congressman in the matter and all three gentlement told, me emphatically they would do all in their power to make the fort a brigade post if possible and failing in this at least a regimental post. We have done all we can do in that quarter. The club will act with any organization in doing everything possible for the fort."

W. J. Halloran of the Real Estate association, stated last night that they were strongly in favor of a meeting of all interested in the preservation and improvement of Fort Douglas, the same to be held as quickly as possible.

The particulars contained in The Herald story were subjects of discussion in all labelity to the state of some conductor came round on his last trip, one and all silently tendered their neatly encased little pasteboards, and proceeded to watch the scenery while the necessary inspection was made.

It did not occur to them that the year 1906 was no longer in existence, and if it had they probably would not have worried much over it. But, alas and all the conductor coldly explained.

worried much over it. But, alas and alack! the conductor coldly explained that passes on his road were no longer good, and nine weary and impatient men were compelled to dig down and "I believe Fort Douglas is one of the most advantageously situated military posts in the west and should be preserved at all costs," declared M. H. Walker last might "Our congressmen and some of the produce the cash fare from the point where the delayed train should have been at midnight New Year's eve. They did it, for the very good and sufficient reason that they could not do anything else, but it is safe to say that this was probably the first occasion in the history of the state when its officials were made to pay for their railroad transportation in the cold cash of every-day commerce.

No. 2 was due in Salt Lake at 6:30 o'clock on Tuesday morning, but owing to the delay did not reach Salt Lake

Railroad Notes.

Approximately 700 school teachers went north over the Denver & Rio Grande system from Salt Lake and Utah counties at 10:10 a. m. yesterday, in order to attend the annual conven-

dealers of Boston, Mass., is in the city for a few days on business. Mr. Mc-Keller is one of Salt Lake's best-known young railroad men, having been for come time connected with the "Milwaukee" local offices, before attaching himself to the Boston firm.

The local offices of the Salt Lake Route yesterday recived a wire from Imperial Potentate Clayton from Los Angeles to the effect that the Shriners had selected the Salt Lake Route as the official route to Los Angeles for their convention to be held there early in the year. The Utah, Idaho and Montana delegations will make the trip in a special train from Salt Lake.

Junction Bastile.

Tod Holland, a mining man from Bingham, was found dead yesterday morning at the Bingham Junction jail. The man had come to the jail the night before and asked for shelter, saying that he had been injured in the mines at Eureka and was rithout means.
When the body was found it was cold

When the body was found it was cold and stiff and death had evidently taken place shortly after Holland had been lodged in the cell, and apparently resulted from the injuries which he had received in the mines at Eureka. Little is known of the man other than what he told the jailer the night before. He said that he had gone to Bingham from Eureka and from there to Bingham Junction. He was 55 years old and shabbily dressed.

The remains were taken to the under-

The remains were taken to the undertaking rooms of C. H. Banks in the Opera House block at Murray, where they will be held pending an investigation as to the relatives of Holland. The authorities at Eureka have been notified and will make an effort to locate his friends in that city.
